Re: Request to Withdraw Section 63.71 and 63.19 Application of LB Communications, Inc.

Dear Ms. Dortch:

On January 18, 2017, LB Communications, Inc. ("LB Communications") submitted an application for authority to discontinue service under Section 214 of the Communications Act. In response to inquiries from Commission staff, LB Communications hereby clarifies that the Lebara Talk service being offered to customers is not telecommunications or interconnected VoIP and, based on conversations with Commission staff, is not subject to the Commission's discontinuance requirements. For these reasons, LB Communications respectfully requests that the Commission grant this request to withdraw the above-captioned application to discontinue service.

Please do not hesitate to contact me with any questions.

Respectfully submitted,

Sherrese M. Smith  
*Counsel to LB Communications, Inc.*
